Fax: (320) 227-8873 E-mail: mnoffice@nppmn.com: Dan Tramm: Project ...Piping designers, By Pipers for
Pipers for the best in current piping knowledge to piping design professionals worldwide. This foundation level
training course for engineers & piping system designers, reviews the areas associated with the design of piping
systems for oil & gas facilities. Installing multifamily and commercial plumbing with PEX tubing by Uponor is
easier than rigid piping and can be placed in many hot and cold-water applications.
